PIPXA PVT. LTD.

All Types of Facility Management Services Solutions

ABOUT US

PIPXA PRIVATE LIMITED is a growing service company based in Bhubaneswar, Odisha. Our mission is to provide **Smart, Sustainable, and Secure** solutions that make life easier for businesses and residential communities. We bring multiple services together under one roof to help our clients save time, effort, and cost.

We specialize in **Facility Management Services**, including Housekeeping, Gardening, Plumbing, Fire Safety, Electrical Maintenance, Deep Cleaning, Canteen Services, and more. Our trained team ensures that every site we manage stays clean, safe, and well-maintained, we serve housing societies, offices, malls, banks, hospitals, and government departments with custom services that meet their specific needs.

PIPXA stands for Proactive Infrastructure Planning & eXecution Agency. This reflects our belief in staying ahead, planning smartly, and delivering on time with professionalism and care.

What makes us different is our strong focus on quality, transparency, responsibility, and complete service delivery. Whether you are managing a society or growing a business, you can trust **PIPXA** to be your reliable partner.

Our Vision

To become a trusted, all-in-one service provider, delivering smart, sustainable, and secure solutions that improve the way people live, work, and grow.

Our Mission

To provide high-quality facility, infrastructure, and compliance services through skilled manpower, advanced systems, and customer-first solutions, ensuring complete satisfaction, operational efficiency, and long-term value for all our clients.

Our Core Values

Customer Commitment

We build strong relationships and go the extra mile to deliver value beyond expectations.

Integrity

We do the right thing — always with honesty, fairness, and transparency.

Excellence

We strive for quality in everything we do, aiming to set industry standards.

Responsibility

We own our work, honour our commitments, and stand accountable for results.

Innovation

We embrace smart solutions and new ideas to stay ahead and deliver better every day.

Teamwork

We work as one team — respecting, supporting, and growing together with our clients and partners.

Safety & Sustainability.

We prioritize safety and eco-friendly practices to ensure a better future for all.

Sanjib Kumar Panigrahi
Managing Director

Since the beginning of **PIPX PRIVATE LIMITED**, our mission has been clear to become a trusted and reliable name in the facility management industry. We focus on delivering **smart, secure, and sustainable** services that simplify daily life for our all clients.

By combining technical knowledge, dedicated manpower, and modern systems, we are committed to maintain clean, safe, and well-managed spaces. Our approach is built on **quality, consistency, and client** satisfaction.

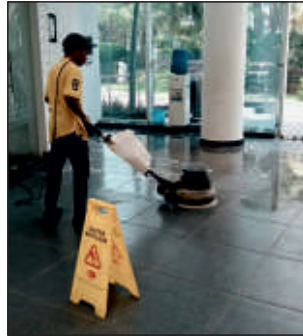

We are always evolving, improving our services, and adopting new ideas to meet the changing needs of our customers, in **PIPX** we believe in growing with our clients, by consistently raising the standards and staying true to our values.
